

Mrs Sellar's Brownlow Bulletin 27.06.25

Over the last 2 weeks, Key Stage 2 children have been taking part in lots of adventurous activities.

We are very proud of the children for challenging themselves to try new activities and push themselves out of their comfort zone. We have also received feedback from the centres to say how wonderfully polite our children are. ★

Year 4

"Year 4 went to Holme Pierrepont to enjoy a variety of activities. We explored the high wires which we encouraged others to face their fears. After, we did the obstacle course, which was very challenging. Finally, we constructed rafts, they didn't last very long! Everyone loved it despite it being sooooo hot! We were lucky to have this opportunity." Faith 4GW

Year 6

"We had the opportunity to do things we have never done before.

It was like an extended sleepover, except everyday we experienced different outdoor activities such as abseiling and weaseling. My favourite part was jumping in the river – safely! It was good to be out of the classroom and not on electronics. We also saw a different side to the teachers! "

Willow, Ewan and Arthur 6B & 6S.

Hidden Disabilities Day

We wanted to raise awareness of hidden disabilities because they are not immediately apparent to others, such as mental health conditions, chronic illnesses, or learning disabilities. These disabilities can significantly impact a person's life, and raising awareness can help increase understanding and support.

The children completed a treasure hunt around the school and completed work in classes.

A big thank you to the FOB for purchasing new helmets and protective pads for the children. We have 12 sets of small and 12 sets of medium so that all children can now use the scooters/balance bikes safely!

Thank you for supporting the FOB events, it really makes a difference.

Building work

The EYFS outdoor area has a new canopy! We are all very excited as we have been waiting a very long time for one of these. This means that EYFS children can access their outdoor learning in all weathers 🌧️ ☁️ ☀️. The EYFS team are eager to get out there and develop it.

The FOB trim trail is in progress...

The concrete is drying as we speak ready for the new floor. It will be completed by early next week which means our lovely Year 6 children can have a go before they move on. Although, I am baggying going first!

Transition to new classes

The transition sessions have gone well. Next week, the children will spend the whole day in their new classes. Please drop off and collect as normal. We will move the children to their new classes after the morning register and back to their current classes before the end of the day.

- Tuesday 1st July – whole day in new class

The Summer Reading Challenge launched on 21st June online and from 5th July in Melton library.

Children who take part:

- are more enthusiastic about reading
- maintain their reading level over the holidays
- return to schools keen and ready to learn
- boost their confidence and self-esteem

Dance for Diabetes raised:

£3,249.45! 🎉

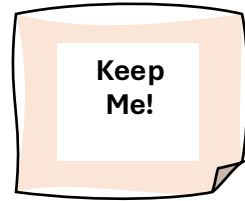

As a school, we get 40% of this:

£1,299.78.

Thank you to everyone for their very generous donations and to Mrs Bunting for organising it. The children loved it! 🧘

2024-2025 DATES FOR YOUR DIARY

Please find below dates for this academic year. **New dates will continue to be added in green.** This information will be updated and added to the bi-weekly bulletin.
