

## Mrs Sellar's Brownlow Bulletin 13.06.25

### A Very Sporty Week 🏆

Yesterday was our Sports Day and luckily the rain held off, just.

I would like to share one of my highlights from the day. The trainers of a Year 6 child fell apart, and despite Mrs Roe's best efforts to tape them together, they would not hold. Mr Jay, without question, took off his own trainers and handed them to the child to wear and spent the afternoon on the field in his socks! It just goes to show the lengths our staff will go to in order to support our children. Thank you, Mr Jay. I was also incredibly proud to hear how supportive our children were towards each other, cheering their teams and encouraging them on.

The children gave it their all to raise points for their houses. We have added all the points together from Reception to Year 6 and the House Sports overall results are:

Newport - 568

Egerton - 540

Staveley - 530

Wicklow - 520

Well done to everyone – every point counts!

### Y6 & Belvoir Education & Sport Trust with the Hayden Green Foundation 🎨

Year 6 children have been learning about the United Nations Sustainable Development Goals and how they can be taught through sport. They have been encouraged to increase their entrepreneurial mindset and innovative spirit. Today, 6S children were able to showcase their presentation skills and the amazing work they have created in a special assembly.

Next Friday, the children are being given the VIP treatment at Trent Bridge.

## **\*\*New Class Transition\*\***

Last week was the reveal of our new classes. There was a genuine buzz around the school, I was very proud of our children for their bravery and positivity. A huge thank you to you at home for your support.

Our next meet the new teacher sessions are:

- Tuesday 17th June – afternoon in new class
- Tuesday 1st July – whole day in new class

## **New Website**

We are very excited to announce that our new look website will go live on Wednesday 18th June!  
There is still a lot more to be added but it is certainly a lot easier to navigate.

## **Building work**

On 23rd June, we are having some very exciting building work done. The EYFS outdoor area is having a long-awaited canopy and FOB trim trail is going in.

Because of this work, we will use the small gate on Salisbury Avenue as an alternative to the gate on Limes Avenue. Thank you for your understanding.

## **Year 4 Times Tables Check**

Our Year 4 children have taken their times tables check this week and they have made us enormously proud. The children have worked incredibly hard to learn their times tables and we know there has been a lot of support from home. Thank you!

## **Year Phonics Screening**

Our delightful Year 1 children have taken their Year 1 phonics tests this week and have done so brilliantly. Well done! 🍌

The Summer Reading Challenge launches on 21st June online and from 5th July in Melton library. Children who take part:

- are more enthusiastic about reading
- maintain their reading level over the holidays
- return to schools keen and ready to learn
- boost their confidence and self-esteem

## **Communication on Dojo**

Please be reminded that Dojo is the way to contact your child's class teacher directly and stay up to date with what is happening in class.

## 2024-2025 DATES FOR YOUR DIARY
