

What do people celebrate?

Books we will read

Activities to do at home

- Encourage lots of talk: for example, about how children are feeling or what they did at school.
- Practice the new sounds in the phonics home learning booklet.
- Counting and recognising numbers when you are out and about.

Key Vocabulary

Rhyming - words that sound the same at the end.

Sequence - the order of a story or events.

Predict - what might happen next.

Mixing - Putting things together.

Primary colours - red, blue and yellow.

Secondary colours - purple, green and orange.

Create - making something.

Party - getting together for a special event.

Celebrate - coming together for a special event.

Invitation - information about a party.

Decoration - special things we put up for a party or special celebration.
